Dear CLSUIAAI Scholars:

Greetings!

By now you should have received a notification from the Central Luzon State University Alumni Association, Inc. (CLSUAAI), our partner organization at CLSU implementing the CLSU International Alumni Association, Inc.'s (CLSUIAAI) Scholarship Program, that you have been approved as our association's scholars for the School Year 2021-22. I note that everyone has also signed the Scholarship Recipient Agreement specifying your obligations and responsibilities as a scholar of CLSUIAAI.

At this juncture, I offer my congratulations to all of you on behalf of CLSUIAAI, as successful candidates to receive grants under the CLSUIAAI General Scholarship Program. There has been a rigorous review of your credentials, including personal interviews, by the members of the CLSUAAI Scholarship Committee and recommended you as eligible candidates for the scholarship. The CLSUIAAI's Scholarship, Education and Research (SER) Committee concurred with CLSUAAI's recommendation. We believe you deserve to receive the grant and approved your application. We hope that this financial aid will help you in your studies and successfully finish the degree you are seeking at CLSU.

We recently remitted the scholarship grant to CLSUAAI and requested Dr. Carlos Abon, Jr, Chair of the Scholarship Committee, to disburse one half of your total grant for the School Year 2021-22. The other half would be awarded to you shortly after the start of the second semester, sometime in January 2022 assuming, of course, that you have satisfied all the requirements and conditions of the scholarship grant as prescribed in our agreement. Please acknowledge upon receipt of your grant.

I wish I can personally be present during the awarding of the grants and meet you all. However, there may be an opportunity for me, any member of our SER Committee or officers/members of our association to visit CLSU in the future. I hope you are able to meet with any of them when they are visiting the university and request to meet you. Feel free to contact us through email, messenger, FB, or any communication platform available to you and share us the progress of your studies.

Again, congratulations and good luck in your studies.

Wishing you all a very Wonderful Holiday Season.

Truly yours,
