Re: i-ASAP Project Donations

Dear Donors:

Warm greetings from the CLSU International Alumni Association, Inc.!

This letter will acknowledge and thank you for your recent donation to the association's International Alumni Student Adoption Program (i-ASAP). The purpose of the program is to provide some grants to undergraduate students at CLSU and help pay for internet access during the second semester of the AY 2020-2021. The estimated amount of financial support is ₱500 per month for each student for five months or a total of ₱2500 for one semester. This project is currently being implemented in cooperation with the CLSU Alumni Relations Office headed by Dr. Jason Marzan, ARO Chief.

Initially, the Alumni Relations Office proposed to target approximately 20 students. The association subsequently approved and allocated \$1,000 to support the project. Benevolent association members and officers such as yourselves volunteered to donate some amount to support additional students. We are currently working with Dr. Jason in identifying and screening qualified students to receive the Internet grants.

We are quite pleased to know your kindheartedness and eagerness in pledging and donating some amount for this cause. The following CLSUIAA members who donated for this project and the amount of donation are listed below as provided by our association Treasurer Ohma Viray:
